Riders are each responsible for raising $100 to ride in the race. The ***full*** $100 donation goes to Nicaragua to feed schoolchildren. **$100 feeds 5 children for an entire year!**

Once riders provide their emails, they will be receiving a form to fill out and return, as well as some incentives and a sheet on smart ways to raise $100 fast.

*Don't forget to come up with a theme!

Please return this completed sheet to Kelsea Renton or Madeline Baay.
